

# Attends® Stretch Pants

Attends Stretch Pants are a range of fixation pants with short legs that are designed to be used with Attends shaped pads to secure the pad in place.

- 1** All pants are white for improved discretion.
- 2** Soft elastic material for improved comfort, fit and support.
- 3** Colour coded on the waistband for easy identification of the pant size.
- 4** A single seam helps to ensure that the pad is correctly aligned and the seam has no contact with the skin which prevents any marking of the skin.
- 5** The pants have a short leg for improved comfort, a better fit and helps to reduce the risk of leakage.
- 6** Can be washed up to 25 times at 60°C followed by gentle tumble drying at a low temperature.
