

Monarch power lift dual motor chair

Rise, recline and relax in comfort with this power lifting chair that makes it easier for users to safely enter and exit the chair. Featuring a dual motor, the Monarch power lift chair provides independent control of the backrest and legrest while the fully-padded chaise and seamed backrest provides superior comfort and support. This rise and recline chair also features a handy magazine pocket and handheld, easy-to-use controller.

FEATURES

- Dual motor to provide independent control of the backrest and legrest
- For safety, the rise and recline motion stops at any point when the button is released
- A fully padded chaise and legrest providing optimal support and comfort
- Seamed backrest providing additional lumbar support
